**RE: SILVER STAR PROPERTY OWNERS ASSOCIATION (SSPOA) REQUEST FOR INFORMATION REGARDING THE CAPITAL UPGRADE REIMBURSEMENT FUND (CURF)**

Dear Sir

The Board of Directors of the SSPOA are requesting that Silver Hawk Utilities provide a statement of revenue and expenditures related to capital upgrades invoiced to Silver Star ratepayers in 2013, 2014 and 2015 by way of the CURF (Capital Upgrade Reimbursement Fund.)

In our review of the Silver Hawk newsletters we find no mention of final costs and where the expenditures were made. The Board of Directors on behalf of the homeowners is wishing to be fully informed in an effort provide transparency and accountability for the rate payers.

Regards

Sandy Cook, SSPOA President
